

### **IN THE SPECIFICATION**

Please amend the specification as follows:

Please replace the paragraph beginning at page 1, line 10, with the following rewritten paragraph as follows:

-- Recently, an information system using the Internet technology has been widely utilized as infrastructures for business activities, resulting in a ~~more~~ substantial increase in importance of a security system for avoiding threats to information assets by illegal access to the information system and virus. --

Page 1, line 23, delete "SUMMARY OF THE INVENTION".

Page 3, line 1, insert --SUMMARY OF THE INVENTION--.
